# PORTSMOUTH GAS LIGHT CO.

[portsmouthgaslight.com](http://portsmouthgaslight.com)

## Grill

Welcome to the Street Level at the Gas Light. Built in 1837, this building is the former home of the city's first utility company. Over the last 170 year, it has stood the test of time-including Portsmouth's "Great Fires". If you look closely on the eastern wall, you can still see original brick charred by the fires. Today the restaurant is appointed with rich textures of wood, brick and copper paying homage to the Gas Light's role in Portsmouth's storied history. In fact, every week we burn more than a cord of aromatic hard wood in the brick oven kitchen to prepare our unique wood-fired bistro cuisine. We hope you'll feel at home at the Gas Light as we do.

## Pizza Pub

For almost two decades, the Pizza Pub has been a perennial favorite on the Seacoast. Originally excavated by hand using 5-gallon pickle buckets, the former basement has been transformed into an award-winning family restaurant. Today the wood-fired brick oven burns traditional New England hard woods that give our pizza its unique smoke flavor. In fact, our oven can reach temperatures of 2000 degrees at the apex and over a cord of wood is used on a weekly basis to bring you your pizza.

## The Deck
